NEWSLETTER No.28

25 June 2009

Dear Parent/Carers.

This is a short newsletter to update parents on the library and also a few gentle reminders.

A huge 'thank you' from the parents who have been setting up the new library; for all the generous donations of some really fantastic books, the response has been phenomenal. Your support has been very much appreciated. The majority of these books, as well as new fiction and non-fiction titles requested by the children, are now available for borrowing in the library. **PLEASE DO TAKE A**

LOOK!!

'The Library' will also have a stall at the **Strawberry Fair** selling books and handmade bookmarks. In addition, there will be a 'book quiz' with prizes! If any parent has any unwanted fiction for adults we would welcome donations for the stall. **Please leave any books in the family room, or bring them along on the day.**

Gentle Reminder:

Hot weather preparations:

Can we ask parents to make sure they put sun cream on the children before coming to school and if possible, give them some to bring into school for when they are on the field at lunchtimes. Sun hats and a bottle of water would also be advisable.

Strawberry Fair - Sunday 28th June, 2.00pm onwards - This is a fantastic day for all the family to enjoy - **not to be missed.**

Advert for: **General Kitchen Assistant** required for **September 2009: 6.25 hours per week Mon - Fri term time only.** Help with setting up trolleys for serving lunch, washing up and clearing away, tidying kitchen. Please see Andy Herbert if interested.
