Dear Parent/Carer,

As mentioned in our last Newsletter, I am delighted to let you know that Fishergate School is taking part in an exciting school meals project with the School Fund Trust.

It means that over the next few months we will be having lots of special promotions, including a chance for your child to try our great school meals for free.

Before we start the project, we'd be really grateful if you would fill in a questionnaire telling us what you do now for your child's lunch. It would be helpful if you could send the questionnaire back to us even if your child doesn't have school meals. The questionnaires will be circulated within the next week or so. We'll be asking pupils to answer questions about lunch at school, too.

We also want to give parents/carers the chance to try the tasty and healthy meals available at school, so there will be a taster session for mums, dads and carers next term - look out for your invitation!

We hope you'll encourage your child to try school meals as part of this project. Please let us know by completing and returning the slip below by Tuesday 20<sup>th</sup> January 2009.

Many thanks.

Andy Herbert  
(Headteacher)
