Dear Parent/Carer,

I am delighted to tell you that we have appointed our new deputy Headteacher. We had a very strong field to choose from and the interview process, which lasted two days, was extremely rigorous. As usual the children were an absolute credit to Fishergate; especially those who showed the candidates around and the school council; who asked some very probing questions. I would also like to thank Lauren McBride and Glenys Engleman who readily agreed to have five adults watching the learning in their classroom and Lisa Solanki for being at the helm for the last couple of days. As I type, our school council members are sharing the news with their classes. That news is that Danielle Rees has secured a permanent position as deputy head of Fishergate Primary. I am looking forward to the years that we have ahead of us working together to make our school an even better place for our children, staff, parents and community.
