22nd March 2016

Dear Parent/carer,

What a jam-packed half term we have had – filled with everything from Sports Relief and World Book Day to supporting Carecent and the Y4/3 production of 'The Lion the Witch and the Wardrobe'. Fishergate children really know how to play their part in our wider society; showing great compassion, huge imagination and boundless self-belief and self-confidence. I am looking forward to seeing what the summer term will bring.

Some of you may have heard the announcement in the budget that all schools will be required to become academies over the next few years. I just want to let you know that governors were already alert to the issue and are in the process of seeking guidance to better understand options for Fishergate going forward. I want to reassure you that, whatever governance structures we end up with, protecting the quality of education at Fishergate and its uniquely friendly and inclusive ethos will be our top priority. I will write again and keep you informed as we move through the process.

I would like to wish you all a happy and healthy holiday and look forward to welcoming the children back on Monday April 11th.

Tina Clarke
