

# Week Beginning: 13.11.17

## Y5/6

### English

This week, we are continuing to explore journalistic writing. We will continue writing our own Harry Potter-themed articles in pairs and then write our own articles.

In spellings, we are looking at suffixes: tial and cial. We are also revisiting homophones.

### Maths

We have continued our work on shape, moving on to angles, we have used protractors to both measure and draw angles and looked at rules of angles on parallel lines and within shapes.

We have set our new targets for this half-term, related to identifying place value, adding and subtracting tenths and multiplying by 10, 100 and 1000.

There will be 4 Mathletics activities to complete at home.
