

# Week Beginning: 13.3.17

## Y5/6

### English

Year 5s will be continuing to look at journalistic writing and writing newspaper style reports.

Year 6s will be starting work on The Arrival.

Together we will be looking in more depth at our class story, Cosmic, and the skills of retrieval and inference.

Spellings will be ible/able words.

### Maths

Year 5s will be looking Fractions, Decimals and Percentages.

Year 6s will be learning about Ratio and Proportion with a focus on using the Singapore bar method to solve problems.

Together we will continue working on our Arithmetic skills .

Please continue to complete your 5 Mathematics activities at home.
