

# Week Beginning: 17.10.16

## Y5/6

### English

This week we are writing poems using descriptive techniques such as alliteration and similes.

We are learning to spell words with ough, such as *throughout*.

We are reading Macbeth.

### Maths

This week we are handling data.

We will explore line graphs and timetables, as well as calculating the mode, median and mean.

We are also revisiting rounding through our new '3 minute drills'.

Our Mathletics tasks are about data handling too.
