

Week Beginning: 18.4.16

Y5/6

Literacy

This week we will be learning about explanation texts and continuing our reading comprehension practise and SPAG revision.

Maths

This week year 5 and 6 will be doing some revision work on different areas now that we have covered our full curriculum for the year. This will include translation, reflection and algebra.

Please ensure Mathletics is up to date. Your child is set 5 tasks to complete weekly. Thank you!
