

Week Beginning: 19.6.17

Y5/6

English

Year 5s and 6s will be continuing to look at autobiographical writing. They will be focusing on diary writing. We will also be incorporating our Greek topic and writing in the style of a Greek myth.

Spellings will be homophones.

Maths

Year 5 and 6 will be having a week of going over a few different areas in maths. These will include prime and cubed numbers, factors and multiples, fractions, area and perimeter and also translation of shapes. A lot to get through!

Please continue to complete your 5 Mathematics activities at home.
