

Week Beginning: 21.11.16

Y5/6

English

Year 5 and 6 will be starting the week by re-drafting a section of their play script from last week.

We will then be writing a formal report in the form a police report, investigating the death of King Duncan in the story of Macbeth.

On Friday we will be learning to spell hyphenated words.

Maths

In Maths year 5 and 6 will be learning the features of 2D and 3D shapes by drawing them. We will also be constructing pie charts .

Later in the week we will be doing some practical activities to practise our protractor skills and learn about the relationships between angles in shapes.

On Friday we will construct 3D shapes to learn about the links between faces, vertices and edges.
