

Week Beginning: 21.9.15

Y5/6

Literacy

This week we are writing explanation texts linked to our deserts topic and working on our bookmarks of key word lists.

Maths

This week we shall be focusing on place value of numbers with up to 7 digits, including ordering and rounding.

We shall also be counting forwards and backwards in different steps, including negative numbers and powers of 10.

On Monday, the children will have their first times tables quiz of this half term and they must learn their 3s and 6s for this.
