

Week Beginning: 26.9.16

Y5/6

English

This week we are improving our persuasive writing, designed to sell a new kind of meal.

We are learning our bookmark spellings too.

We are reading Macbeth.

Maths

This week we are adding and subtracting using the carrying and exchanging methods, and applying these methods to multi-step problems.

We are also learning to calculate across zero, using negative numbers.

Our Mathematics tasks are about + and – too.
