

Week Beginning: 30.1.17

Y5/6

English

Year 5 and 6 will be continuing their work on explanation texts, using google classroom. We will be working on using the passive voice and looking at the themes in Cosmic. In spellings, we will be working on tial/cial and cious/tious rules.

Maths

In maths, we are looking at converting miles to kilometres and starting to look at algebra.

Our maths drills this week are roman numerals, please look out for them when you are out and about.

Please continue to complete mathematics activities at home.
