

# Week Beginning: 5.12.16

## Y5/6

### English

Year 5 and 6 will be continuing their work on themes. We will then learn to write balanced arguments with a focus on PEE (point, evidence, explanation) paragraphs.

The question we will be exploring is, 'which character is most to blame for Macbeth's downfall?'

In spellings, we will be learning to spell words with the -cial/-tial suffix.

### Maths

In maths, we will be revising a number of topics, including worded problems, equivalent fractions, multiplying and dividing decimals and multiplying and dividing fractions.

Please continue to complete mathematics activities at home.
