## Dear Parent/carer,

As some of you may have noticed we have completed the office move, and I can now be found in what was the Reception office. We have also changed the front door entry system and I would like to thank you for remembering to come into school through the back doors at the beginning and end of the day. We still have a few more changes to come which will make the office staff more accessible to parents and visitors.

I am very pleased and proud to tell you that Rachel Hemlin made it back in one piece from her trek through Cambodia. She has managed to raise an awe-inspiring £9,473 for Macmillan. Wow!

We have had a couple of issues with the inappropriate use of social media in the last few weeks which have caused a great amount of upset. Please don't post anything on Facebook that identifies another child; unless you have had permission from that child's parent/carer. If you have any concerns about anything that has happened in school then your best bet is always to come in and talk it through with your child's class teacher. I would also like to remind you that children must be at least 13 to have a Facebook account.

### Cello & Double Bass Lesson at Fishergate

This week in assembly we had a very exciting demonstration of the cello and double bass! Catherine Strachan, an approved tutor of CYC played these instruments for us in assembly hoping to start lessons with interested children at Fishergate. If your child is interested in learning Cello or Double Bass email Catherine [catherinestrachan@gmail.com](mailto:catherinestrachan@gmail.com) or by phone 07929 254986,
