2nd December 2016

Dear Parent/ Carer

CLUBS LETTER & TIMETABLE

Attached is a copy of all the clubs on offer over the spring term. We ask that you go through the list with your child and select three clubs that they would like to attend. In the boxes down the right hand side, place your options using 1, 2 and 3. **Some clubs are not open to everyone and are marked with an X. Please do not choose these.**

Please return your selection to the class teacher (not the office, please) by **Friday 9th December**. We will then allocate places. **Please remember to write your child's name and class on the form.** If after allocating pupils any clubs have spare places, these can then be booked through the school office.

If you are selecting a club that is a paid activity, payment should be made at the first session and consent forms completed. Please also remember that clubs occasionally have to be cancelled at short notice. When this happens, you will need to collect at 3.15, as normal.

We pride ourselves on being an inclusive school and would not want any child to miss out on a club because of financial difficulty. If you qualify for free school meals, we may be able to help you with payment for clubs. Please pop in and see Mrs Clarke.

Fishergate pupils are very fortunate in having access to such a range of extra-curricular activities; we are proud of the way their skills develop through these additional opportunities. You will notice that we have made some changes to ensure there is a terrific range of choices for every year group.

Many thanks

Dani Rees

Deputy Headteacher
