

Week Beginning: 22.01.18

Y5/6

English

This week, we are writing a persuasive letter to parents/carers. They are going to try and convince you to let them do something they want. They will be using all of the persuasive devices they have learned so far.

Spellings will still be tedious and cious and will be tested on Friday 2nd February

Maths

This week, we will be looking at prime numbers and multiples and factors of numbers.

Please complete your Mathematics tasks at home. Don't forget to practise your times tables!

Some children will be going to Robinwood on Wednesday and the rest who are staying at school will be doing fun activities including drama and art with Ms Rees and Mrs Walton.
