

Week Beginning: 5.3.18

Y5/6

English

This week, year 5 will be writing their own non-chronological reports about their own made-up Maya gods.

Year 6 will redrafting their letters in response to The Arrival, which they will then be crafting into origami birds! On Thursday, year 5 and 6 will be learning about imagery and personification in poetry.

Spellings will be doubling the final consonant to short words when adding suffixes. For example, *sit* becomes *sitting*.

Maths

This week we will be learning about equivalent fractions, decimals and percentages. Towards the end of the week we will be using what we have learned to solve maths problems and crack codes!

Please complete your Mathematics tasks at home. Don't forget to practise your times tables!
