Dear Parent/Carer

## MILLTHORPE SCHOOL OPEN EVENING: TUESDAY 8 OCTOBER

We would like to extend a warm welcome to all parents of Year 6 children to our annual Open Evening on Tuesday 8th October from 6.00pm until 8.00pm.

At the evening there will be an opportunity to meet students, staff and experience many different activities in our various subject areas. All areas of school will be open to visitors from 6.00pm.

There will be three short presentations by the Head of School that will give some information about our school to students and parents, and the opportunity to watch a student video about the experiences of Millthorpe School as a new Year 7.

These presentations will take place in the main hall at the following times:

6.05pm

6.45pm

7.15pm

Unfortunately, parking is not available on site due to building works and insufficient space. Please be careful not to park in local resident permit parking areas. Pedestrian access to school will be through the entrances on Nunthorpe Avenue, Southlands Road and Philadelphia Terrace.

Please contact the school in advance if you have any particular mobility issues.

We look forward welcoming you to our school.

Yours faithfully

G Greenhalgh  
Head of School
