Dear Parent/Carer

Welcome back to Fishergate School for the summer term. I do hope that you have all had a really restful Easter break. Although we are only a few days into term I have thoroughly enjoyed my new role as Acting Headteacher and have already started work with the Senior Leadership Team to prepare for the autumn term.

I met with Tina Clarke this morning as part of her transition to head teacher at Fishergate and arranged other dates for her to be in school, to get to know the children and staff and to hopefully get to meet some of the parents.

Staffing

We would like to offer our congratulations to Amy Batchelor who is expecting her second child at the end of September. Amy will be continuing to work through the summer term and for a week in the autumn term. We wish Amy all the best.

Parent Interviews

A quick reminder that Parent interviews will be taking place next week on Wednesday and Thursday after school. If you haven't already made an appointment please see your child's class teacher.

Clubs

Your child should have brought home their club letter showing which clubs have been allocated to them. There were a number of forms returned with no name so if you haven't received a form back please see Mrs Deighton in Reception as there are a few clubs with limited spaces.

As part of our ongoing support to Macmillan Cancer care, we will be having a wear green day on Friday the 24th of April. Your child can come to school wearing anything green (hat, socks, t-shirt etc) for a donation of £1.00. Thank you for your continued support in this worthwhile charity.
