

What is Parent Partnership?

Parent partnership has been developed to engage and support parents in their child's growth and learning.

Research shows that:

Parental involvement in children's education from an early age has a significant effect on educational achievement, and continues to do so into adolescence and adulthood.

At Fishergate school we value the contribution made by parents and carers and would like to build on the strong relationships that we already have .

How we can help.

Fishergate school's new parent partnership has been set up to help, support and engage families with their child's learning journey.

We offer a range of support to both parents and children.

- Helping parents to support their children's learning at home .
- Helping to build emotional resilience .
- Strategies to help with behaviour at home and school.
- Help with attendance .
- Support at times of hardship .

If we are unable to help, we will endeavor to locate support from other agencies.

We can support by:

Listening to your concerns.

Arranging meetings with other professionals.

Developing support packs for individual children's learning.

Home visits to help develop a structured plan of support.

Offering support to parents in all aspects of the curriculum through workshops or one to one support.

Talking through any paperwork needed.

Assisting you to prepare for meetings and if you wish, attending them with you.
