

# Year 3 and 4

## Week beginning 1.2.16

### Literacy

This week we will be looking at the features of non-chronological reports and note taking !

### Maths

This week we will be using our decimal homework to help investigate decimals.

### Science

We will begin our new topic, forces and magnets understanding that a force can change the speed, direction and shape of an object!

### Topic

We will be investigating rivers!!!
