

Week Beginning: 26.2.18

Y5/6

English

This week is the first week of 'boosters' where year 5 and year 6 will be split into separate English and Maths classes for Monday, Tuesday and Wednesday.

We will be doing some assessments, and year 5 will be learning all about ancient Maya gods! Year 6 will be starting their study of The Arrival.

Spellings will be using apostrophes for possession.

Maths

This week we will be practising our arithmetic skills and working on some investigations towards the end of the week.

Please complete your Mathletics tasks at home. Don't forget to practise your times tables!
