

Week Beginning: 16.4.18

Y5/6

English

This week, year 6 will be completing their stories about starting life in a new country.

Year 5 are writing the ending to a science fiction story.

On Thursday, both year 5 and 6 will investigate different tenses and learn how to recognise the perfect and progressive tenses.

We are learning to add suffixes to words which end in -fer.

Maths

This week year 6 are developing their statistics skills. Exploring line graphs, pictograms, bar charts and pie charts.

Year 5 are learning to answer multi-step worded problems.

Please complete your Mathletics tasks at home. Don't forget to practise your times tables!
