Dear Fishergate Children,

So, how did you get on with the challenges I set you I wonder? I have heard that Lulu and Joe (Year 2) have completed their 100 books challenge and that Joe is also doing a scoot, bike and walk challenge to do the fifty-five miles that it takes to get from York to Robin Hood's Bay. Another of our Year 2s – Logan has set his family a really cool challenge. Have a look at the link – his current record is 215cm – can anyone beat him?

Year 6s, I want to let you know that we are going to make sure that you don't miss out on the traditions of a Leaver's Assembly with the famous Fishergate mug, or your night out together. We aren't sure exactly when these will happen yet – so much is unknown – but even if it isn't until September (or later) we promise that we won't forget to arrange this for you.

As always, I have been very impressed with the effort that you have been putting into your home learning activities. I know that your teachers really enjoy reading your comments. Well done to the people who were chosen for a head teacher's award today. I look forward to finding out who will be chosen next Friday.

Have a great weekend – don't forget the message in today's assembly – how are you going to be kind to yourself and what will you do to show compassion to others?

Take care and be kind,

Mrs Clarke
