

4.5.20

Dear Parent/Carer,

I hope that this letter finds you and your loved ones well and coping with lockdown. If you haven't looked at the website for a while then it's worth a visit. We have added more resources to support children's learning and some to support mental health and well-being. This includes some specific coronavirus materials that you may find useful.

As I type, Sarah Wilson, one of our Early Years teachers, is running past as many of her children's houses as possible to give them a socially distanced wave. In normal times we would be spending today running our Star Wars marathon and Mrs Wilson didn't want the day to pass unnoticed. She is raising money for the Trussel Trust and has so far made an incredible £716. Here is the link if you want to donate: <u>https://www.justgiving.com/fundraising/sarah-</u> wilsonstarwars?fbclid=IwAR0n1zkCSXeK3s3yxZDzyvIUJbZKxUqeC0tNBMEgkNUpWzVZ2vg-

Last week I sent you some materials that the EEF had produced to support home learning. They have recently added support for maths which can be found here: https://educationendowmentfoundation.org.uk/news/blog-supporting-the-learning-of-mathematics-at-home/

I hope that your week goes well. As Friday is a bank holiday, and there will be no online learning, both of my assemblies will be going out on Thursday this week. EYU families don't forget to send me anything that your child would like to share.

Take care of each other,

Marke

Tina Clarke
