

Fishergate Primary School Statement of Behaviour Policy Addendum

Context

This addendum is for use as children return to school and the threat of Covid-19 is still with us. It is to ensure that we keep pupils and staff as safe as possible, physically and emotionally. It is impossible for us to deal with behaviour in the same way as children need to remain contained in their own group possible.

New rules that we must impose for safety are as follows

Safety area	Expectations
Arrival and departure	Children arrive at the allocated time and wait patiently in a 2 metre distanced line. They bring nothing except a lunch box. At the allocated time children will leave school in a distanced ordered fashion.
Handwashing and hygiene.	Handwashing must be done diligently as we have instructed on entry to school, after using the toilets, before and after eating, and when instructed to do so by the group leader. School equipment must not be placed in the mouth and children must try not to touch their noses, eyes and mouth.
Socialising in school	Pupils must not leave their group bubble and will not be able to socialise with children in other bubbles.
Moving around the school	Children must stay in their allocated areas and move around the school as instructed by the signs.
Sneezing and coughing	Children must catch it, bin it and kill it in a tissue. Hands must then be washed. If a tissue cannot be reached in time they must sneeze into their elbow.
Illness	If a child is unwell they must tell an adult immediately.
Water bottles	Children must use their own water bottle only and must not put their mouth near taps/water cooler. Water bottle must be kept on child's work station.
Equipment	Pupils must use their own equipment allocated to them and keep on their work station.
Play areas	Pupils must stay in their designated zoned areas. They must attempt to stay socially distanced and not leave the designated area.

Toilets	Pupils must flush the toilets after use and wash hands thoroughly.
Coughing and spitting	Pupils absolutely must not cough in anyone's face. They must cough into their elbow. Spitting is forbidden.
Behaviour at home doing distance learning	Pupils must demonstrate the same respect for the teachers remotely as we expect in school.
Racism	Children will not make racist slurs around the origins of Covid-19.

What happens if a child breaks these rules?

Allowances will be made for the age of the children and any underlying issues but deliberate flouting of the rules will lead the parent/carer being contacted immediately in order to plan an appropriate course of action. This could include exclusion for the rest of the day. The safety of all will be the priority. If a child requires escorting from the classroom then the headteacher/member of SLT on duty will enter wearing PPE.
