Dear Parent/Carer,

I am writing to let you know that Matthew Snowden will be leaving Fishergate at the end of this academic year, after securing an assistant headship. He is an extremely talented teacher and has given an incredible amount to the school - leading maths, computing and running the football team amongst many other things. We are really going to miss his energy and his positivity but are hugely proud of all that he has achieved since joining Fishergate as a newly qualified teacher.

We will be starting the recruitment process to find a replacement soon and will let you know when we have made an appointment.

Tina Clarke
