Dear Parent/Carer,

I am writing to let you know that Ryan Deakin will be leaving Fishergate at the end of this academic year, after securing a senior leadership role at another school.

He has added so much to our school team since he joined us as a newly qualified teacher - honing his skills in Early Years, before moving to Y3/4 and then to Y1/2. He is a hugely imaginative and creative teacher who has had a real impact on many areas of the Fishergate Curriculum - Design and Technology has gone from strength to strength under his leadership.

We are really going to miss his imaginative teaching and his incredibly positive attitude but are hugely proud of all that he has achieved since joining Fishergate, and wish him the very best for the future.

We will be starting the recruitment process to find a replacement soon and will let you know when we have made an appointment.

Yours,

Tina Clarke
