Dear Parent/Carer,

I am writing to let you know about the two very exciting new appointments that we have made in the last week. Ellie Ball and Marianne Renny will be joining our wonderful Fishergate family in September and I know that I can count on you to welcome them in. We had a very large number of applicants for both posts and were delighted to be able to choose from a very high calibre of candidates.

Many of the children already know Ellie as she worked in Key Stage 1 as a teaching assistant before leaving us to train as a teacher. During this training she did two of her placements with us - one in Y5/6 and one in Y3/4. So, she already has a really good understanding of how we work at Fishergate and her values and beliefs about teaching reflect ours. Our other new teacher, who we appointed yesterday, is Marianne Renny. She is also a newly qualified teacher who showed us what a good fit she would be at Fishergate. She has extensive experience of working in schools as a teaching assistant and we are delighted that we were able to interview her.

Ellie will be teaching in Year 5/6 and Marianne will be teaching Y1/2.

Yours sincerely,

Tina Clarke
