Dear Parent/Carer,

Thank you to all of the Key Stage 2 parents who were able to join us for our celebration of poetry and music on Tuesday. It really was a joy-filled hour and a quarter. All of the children performed, some with their class and some as soloists or performing a duet. The wealth of talent and self-confidence was a joy to witness. It is very easy to forget that this group of children missed so many opportunities to perform and show off their talents during the sad Covid times! I would also like to give a special mention to those children who were able to put their nerves and anxiety to one side and who pushed themselves out of their comfort zone to perform – they should be very proud of themselves!

We are still hoping to hear from some kind souls who could come and help to keep the library running smoothly – making sure that the books are all in the right place etc. – if you could spare an hour or two every week or so please could you let me or the office know.

As I write this there is a real sense of anticipation in the air, from both children and adults, about the imminent arrival of the ice cream van. Thank you again to the Friends of Fishergate for providing such a welcome treat.
