16.6.2023

Dear Parent/Carer,

I hope that you have all been able to enjoy some of the sunshine that we have been treated to over the last few days. Thank you to the 'Friends of Fishergate' for providing ice lollies for all of the children – they went down very well!

Please could you help us to try and win some books for our library. National Book Tokens are running a competition in which five schools will win £1,000 worth of book tokens. If you click on the following link and nominate Fishergate we would all be very appreciative.

<https://www.nationalbooktokens.com/schools>

Next year we will be having a bit of a change around of teachers – this is partly due to the fact that, due to a national trend of a very low birth rate, we have a much smaller cohort than usual joining us in Early Years. The changes are as follows:

- The will only be one teacher (Sahar Dibden) in Early Years
- Lisa Dewhurst will move to teach one of the Key Stage 1 classes – she will share her class with Lauren Moss who will teach them on a Wednesday.
- Lauren Moss will teach in Key Stage 1 on Wednesday and in Y3/4 on Thursday and Friday
- Helen Craggs will work covering supply across school, as well providing additional behaviour and social and emotional support for KS1

Class lists will be sent out before the end of next week.

Next week looks like it will be a busy one. The children will be doing their end of year assessments, we have the talent show auditions, are taking part in National Sports week and we finish with a Science day on Friday.

Wishing you all a happy and sunshine filled weekend,

Tina Clarke
