Dear Parent/Carer,

How can it be nearly October? The term has started really well and it has been great to see the children settling so well into their new classes and making new friends. Fishergate children are truly excellent at looking after each other and making sure that respect is at the centre of everything that they do.

On Monday we begin our celebration of the lives and legacy of a variety of black people. Black History Month is only one part of our inclusive and diverse curriculum, and the children will continue to build on what they have learnt throughout the rest of the academic year. Don't forget to ask your children what they have been learning about.

Walk to School Week is taking place during the week beginning the 23rd October – we will be encouraging the children to walk to school if at all possible and trying to do our little bit to reduce pollution and help the climate.

York Family Learning are running a workshop for parents on safely managing digital devices – if you find yourself battling with your child over screentime or are worried about online content then this is the course for you! It is being held on the 7th October from 9:30am – 12pm at The Gateway Centre. Please click on the link for further details and to book:
