Dear Parent/Carer,

We have just had the fantastic news that the Local Authority have found us a crossing patrol person, they will be 'stationed' on the zebra crossing outside school at the beginning and end of the school day. We have not been given a start date yet but will have more details after half term. Thank you to all of the parents who have pushed for this by starting and signing the petition.

A huge well done to Logan, Olivia, Daisy, Lulu, Alfred, Fred and Isaac, who played in the English Primary Schools Chess Association Tournament at St Peter's School on Saturday. They did a brilliant job, coming second, and were a real credit to the school.

Fishergate is celebrating World Book Day on Friday 8th March! We would like to use this as an opportunity to celebrate bedtime stories. Children are invited to come in their pyjamas and bring a teddy and favourite bedtime story to share. We are also conscious that parents sometimes feel they have to invest time and money in a book character costume (despite our reassurances!) and want to avoid this as part of our commitment to reducing costs for our families.

I hope that you and your families have a lovely half term,

Tina Clarke
