

Fishergate Primary School Newsletter

31.1.2025

The group of Y5/6 who had their Robinwood adventure last week certainly had an amazing time, even with a 3am fire alarm. The children pushed themselves to try new things and showed their usual fabulous levels of support for their friends. Fishergate children really are very special! Thank you to the adults who went with them and to Clare Stenson for organising the whole thing! There are a couple of photos on this newsletter and the team will be in touch soon to let you know about how they are going to share the very many photos etc that they have taken.

It has been so lovely in school today – even more so than usual! Seeing the children producing their 'Happy Place' artwork whilst working with children from a different phase has just been so heart-warming! Thank you to Sahar Dibden for leading the school in this.

The Salvation Army send a big thank you for your supporting the Christmas Toy appeal. Thanks to all of the support they have received from schools and the general public, they been able to provide toys and gifts for over 1000 children and help over 300 families.

FRIENDS OF FISHERGATE

Cake Sale Next Friday

Year 3/4 will host the cake sale on the 7th of Feb, with their donations of baked goodies and sweet treats. Sale starts at 3.15pm in the Lower Hall. The funds raised stay with the Year group classes to spend. Please come and support them if you can. Nut free cakes always, 50p a cake.

Year 6 Hoodies

The long-awaited Year 6 leavers hoodies have been distributed to the children this week and it is lovely to see they are enjoying wearing them around school for PE. Much excitement had built up for their arrival!. Please note it is advised to **wash the hoodies inside-out** to help preserve the printed detail on the garment. The hoodies have helped to raise money to fund the Year 6 End of Year Treat again this year so Thank you for helping to make this happen.

PHASE UPDATES

EYU – This week we have been celebrating Chinese/Lunar New Year. We found out that the children born in early years are born in the year of rat or pig, we made fried rice, noodles and tried some Chinese tea in a tea ceremony. We also worked on a whole school art project using the book 'Happy Place' and created painted collage pieces of art with children in KS2.

Year 1/2 - KS1 have enjoyed a fantastic 'Art Week' based on the book 'A Happy Place'. We've been using nouns, adjectives and complex sentences to describe our own happy places in English, whilst in Art we've been experimenting with colour wheels and creating pictures of our own happy place through a window.

Year 3/4 – What a fun arty week we are having! All Yr 3/4 classes have been busy working on their collages inspired by the book, 'A Happy Place'. We are loving the creativity and happy vibes in our classroom. Working with a different phase in school has also been of great excitement to our children and they have impressed us with their kindness towards the younger children.

Y5/6 - We have thrown ourselves into Art week, developing our colour-mixing skills and creating 3D landscapes using collage and cunningly concealed sticky pads. You will be able to admire these on the 5/6 staircase in a couple of weeks.
