All Year 6 pupils can swim 25m by the end of KS2.		
		All Year 6 pupils can swim 25m by the end of KS2.

	 Improved opportunities for specific groups to increase participation, such as SEN, PP and pupils targeted as having 'inactive lifestyles'.
	 Pupil premium children participate in at least one sports club throughout the year.
	 Ringfenced a budget to support the implementation of OPAL improvement projects.
How we plan to make sure these improvements are sustainable	 Total Sports subscription and planning provides specialist coaching for our teaching and teaching assistants. This will ensure high quality P.E. teaching and learning in the years to come. Total Sports after school clubs provides specialist coaching for the children, giving many the confidence to join clubs outside of school.
	 Investing in new P.E and play equipment ensures that quality of provision remains high.
	 Less active pupils are encouraged and taught strategies to access physical exercise and understand why good physical health is important. This raises their potential to be fit and healthy adults. Becoming an OPAL school will mean that we have better, more active and creative playtimes which will mean happier and healthier children.
Impact of the Sports Funding 2023/2024	 children. Yr 1/2, 3/4 and 5/6 PE leaders were trained to use PE equipment, including setting out equipment before and after playtimes, to organise games and develop basic coaching skills. Equipment audit completed and replacements bought for damages. Autumn and Spring House competitions were delivered throughout school for Football/Hockey (autumn) and Tag Rugby/Netball (spring). Fishergate School attended all Partnership competitions which were available. Children completed audits at the start of the year to outline clubs they would like to attend within school these audits were then used to plan extra-curricular timetables throughout the year, in conjunction with partnership competitions and seasonal availability. All children have accessed high quality P.E. lessons taught by specialist coaches. Children with SEN are increasingly engaging with all aspects of P.E.

Detailed Sports Premium Itemisation for academic year 2024-25

	Cost
Sports Premium 2024-2025 total	£18,610
Sport and P.E equipment including:
