WELCOME TO THE LAST HALF TERM OF THE YEAR

The time has almost come to welcome Bodhi. My office is ready for him, and we have had an assembly, introducing him to all of the children, making sure that they all know how to behave around him. At first, he will mainly be in my office and we will go at his pace when deciding when and how to introduce him to the wider school and his new very big family! The breeder has said that he is very confident and always the first to try something new so that bodes well. Remember to let the office know if you do not want your child to have contact with him.

A reminder that Fishergate is looking forward to York Pride on Saturday 7th June. All are welcome to join us at 11.20 outside St William's College, or to look out for the school banner as part of the parade.

Have a lovely weekend.

FRIENDS OF FISHERGATE

Year 1&2 Cake Sale Next Friday (13th June) 3.15pm

Year 1/2 families will be donating their tasty and generous baked goods to raise money for their classes. Cakes should be sent into school Friday morning or left with the school office. Please support these cake sales if you can and grab yourself a well earned treat. All nut free cakes are 50p.

We need parents and carers from this year group to help run the stall, If you can help next week, please email friendsoffishergateschool@gmail.com or drop a message to the school office.

Donations Day Thursday 3rd July 9am

You are invited to drop donations for the school Summer Fair into the school hall at school drop off. We are looking for items for the bottle, chocolate, teddy and gift tombola stalls. Jam jars filled with fun goodies (toys, sweets, stickers)

More details will be sent out next week.

Remember the **School Summer Fair** is on Saturday 5th July, on the school field 12-3pm. Expect games, entertainment, food & refreshments, Tombola and our very popular Raffle!! Bring your friend, Bring your family!

PHASE UPDATES

EYU – This week, we've been having fun with rhyming words, spotting which ones sound the same! In maths, we explored capacity and weight with water, sand and plenty of pouring. Out in the forest, we noticed the signs of the season changing all around us.

Year 1/2 - Key Stage 1 have enjoyed a fantastic start to their Tudor topic by learning about Henry VIII and the reign of the Tudors throughout British history. In Maths, Year 1 have been learning all about money and coin recognition, whilst Year 2s have been looking at measures and how to measure mass using scales.

Year 3/4 - This week in Yr 3/4 we have been revisiting lots of maths topics ready for next week's quiz. The children have also been continuing with their research on the Romans. x.

Y5/6 - In English, we are putting together our poetry performance for next week's Eisteddfod on Thursday 12th. We are learning to sort and group living things in different ways in science.

CAN YOU HELP?

We are looking to recruit new parent volunteers for the next academic year to help staff our library club which runs on Tuesday and Friday lunchtimes. Children can read or take part in quiet activities such as colouring or board games. Please drop us an email at admin@fishergateschool.com or pop to the office if you are able to offer your time. It need not be a weekly commitment - we have been lucky this year to have a good bank of volunteers who are part of a rota to staff the club.

BREAK THE RULES DAY

The children had great fun joining in with Break the Rules Day before the half-term holiday. So far, we have raised an impressive £403.10 from the day for City of Sanctuary UK which we are supporting as a part of our journey to become a School of Sanctuary. There is still time to use the link on Parentpay if you want to donate.
