## We made so much happen in 2024 – 2025

As our school year draws to a close, we wanted to share a quick overview of what we achieved with generosity and support from our amazing staff, families, local businesses and the wider community.

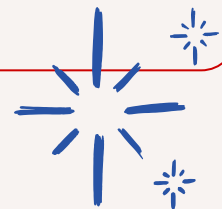

Thank you for your help, it is instrumental in providing additional enriching experiences for our children at Fishergate Primary School.

### **Our children need you:**

Every Cake Sale, Disco, Fair and other fundraising efforts really do make all the difference. And it is your direct support that keeps them going.

### **Friends of Fishergate Committee changes:**

We would also like to bid a fond farewell to Ali and Jo of Friends of Fishergate. Ali has beautifully taken the lead as chair of Friends of Fishergate for years and Jo has been vital in making the magic happen.

**Have your say!**

All parents and carers are welcome to plan and execute our school events. Get in touch!
