

Head teacher's note

A quick reminder, before you go uniform shopping, that we have made some adaptations to make our school uniform even more 'activity' friendly. If you would like your child to wear black jogging bottoms and/or trainers then they are now part of our uniform.

Look out for the School Diversity Week posters around the building. These have been a great discussion point in class.

We hope to see as many of you as possible for our sports days next week as possible. Please remember to send your child in with their water bottle, a hat and with sunscreen if it is hot. As you know there is very little shelter on the field.

Have a lovely weekend.

Friends of Fishergate

More help for the Summer Fair is needed!!

The fair is on Saturday 4th July and the fair cannot proceed without your help! Mums, dads and carers - we need you! Fantastic parents have stepped up for BBQ duty, running the fabulous Trig Brewery bar, the book stall, sweets stall, but we still need help with beat the goalie, the bouncy castle, tombola/games tables and the refreshments stall. If you can help between 12-1.30pm or 1.30-3pm, please get in touch at friendsoffishergateschool@gmail.com. We also need help setting up for the fair from 11am - 12pm.

Bake sale & uniform stall on Monday

Early Years will be hosting our final bake sale of the school year at 3.15pm on Monday 29th June. Nut-free treats will be sold at 50p per item and small change is much appreciated.

Donations Day is next week!

Bring your summer fair donations to school on Thursday 2nd July, From 8.30am in the lower hall, we will be on hand to receive your donations of filled jam jars, teddies, sweets, bottles, books for grown-ups and higher value items for the raffle. Please email friendsoffishergateschool@gmail.com if you can help sort donations. If you can only stay for 15 minutes or so, we would be grateful for the helping hand!

See you at the Coffee Morning on Monday

Please drop in for a free hot drink and a treat in the upper hall staff room, from 9am - 10.30am. Babies and preschool children are welcome.

Phase group updates

Early Years - This week in Early Years, we have been reading Pirate Pete, and the children have enjoyed using their imaginations to think of different items that pirates might take with them on a ship. In Forest School, we explored the blooming flowers around us, counting their petals and comparing how many each flower had. In Maths, we have been investigating weight and capacity, measuring different objects in provision and comparing which items were heavier or lighter!

Year 1/2 - enjoyed a fantastic school trip to Scarborough Sealife Centre on Wednesday and have followed up by writing recounts about their amazing day. Thank you to everyone who volunteered to make it such a great day.

Year 3/4 - What a swelteringly hot time we have been having in Yr 3/4. The Fishergate's Got Talent auditions were a great success and it is a tricky choice for the teachers to decide on the one act which will go through from each Yr 3/4 class. This will be announced in the next Celebration assembly. It was great to see so many happy children choosing a book to take home from our book swap. Thank you for all your donations. We look forward to seeing you at our Sports morning next Friday 3rd July. Just head to the school field for a 9:15am start. We hope to see many of you participating in the novelty parent race!

Year 5/6 - have enjoyed a sweaty week, writing a discursive text called 'How Britain have better prepared for the Windrush generation'. In Maths, Year 5 have been learning to translate and reflect shapes while Year 6 have baked delicious cakes as part of their post-SATs Maths project. We may have also started work on the Leavers Show (sssh!)

Bodhi Corner

Woof! 🐾 I had such a colourful day celebrating Rainbow Day with everyone! I loved seeing all the bright clothes and happy smiles around school. I think every colour looked pawsome... although black is still my favourite because it matches my shiny fur! Thank you for helping make our school such a bright, kind and welcoming place. Keep spreading kindness wherever you go! 🌈🐶

OPAL

Our Golden Welly winner this week is Robin. He impressed us with his creativity and great use of natural resources to create a forest school picture.

From September, we are hoping to find some parents who have good mending skills to run a bike/scooter/other bits and pieces mending workshop with a few of the children. We could work around you with regards to when and the frequency of the workshops. You would need to do a DBS check but they are free and seem to be coming through quite quickly at the moment. If you think that you could help us out please could you let Tina know.
